THE VALUE ADJUSTMENT BOARD

The VAB is created by state law and is made up of two County Commissioners, one School Board member, and two private citizens. Petitions are available in the Appraiser's office; a filing fee is required. The VAB appoints Special Masters, who are qualified appraisers or attorneys. These masters are independent of the Appraiser's office. The Property Appraiser is simply a party before the VAB, just as is the petitioner. The only question the Special Masters of the VAB can determine is whether the appraiser's market value of a property exceeds its January 1 actual value. The deadline for filing a petition is on the TRIM Notice. Petitions can now be filed online at <http://vab.indian-river.org>. Supplying all of the information on the petition makes it easier for your appraiser's office to review your request for a lower assessment.

SAVE OUR HOMES

In general, Save Our Homes limits the amount that the assessed value of properties with homestead exemption can go up in one year to 3% or a cost of living index (whichever is lower). This year, the index provided by the state was 1.5%. If the market value of your homestead increased more than 1.5% from 2010, the assessed value shown on your TRIM notice will be less than your market value. Please understand that this explanation is general and, there may be exceptions (i.e. new construction is always added at full market value).
